

The School Day

I will remain with my form group and TA's, in my form room, for most of my lessons.

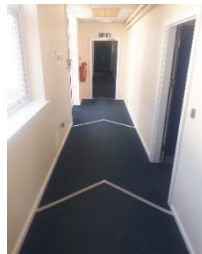

The subject Teacher will come to my form room to teach the lesson.

I will have my own desk, and if I have a coat, I will put it on the back of my chair. Anything I bring into school will be with me at my desk space. I will be given a box that I can place any personal items in.

Break and lunch times will be different for each form group. I will find out what time mine are when I get to school. I will eat my lunch in my form room.

When I move around the school I will need to follow the one way system which is marked on the floor and try and social distance.

Throughout the day, I will be expected to clean my hands with either hand gel or soap and water.

and maybe at othertimes too if I'm asked to.

If I have any questions I can ask my Teachers in school. They are really looking forward to seeing me.
