Statement of Intent

The prime statutory duty of governing bodies in England, as set out in paragraph 21(2) of the Education Act 2002 is to "...conduct the school with a view to promoting high standards of educational achievement at the school." The pay policy is intended to support that statutory duty.

The Governing Body of PRESFIELD HIGH SCHOOL & SPECIALIST COLLEGE adopted this policy on 24th March 2021.

SECTION 1. INTRODUCTION

1. This policy sets out the framework for making decisions on teachers' pay. It has been developed to comply with current legislation and the requirements of the current School Teachers' Pay and Conditions Document ("**the Document**") and has been consulted on with staff and/or the recognised trade unions.

2. In adopting this pay policy, the aim is to:
 - a) maximise the quality of teaching and learning at the school
 - b) support the recruitment and retention of a high-quality teacher workforce
 - c) enable the school to recognise and reward teachers appropriately for their contribution to the school
 - d) help to ensure that decisions on pay are managed in a fair, just and transparent way.

3. Pay decisions at this school are made by the Governing Body who have delegated certain responsibilities and decision-making powers to the Pay Committee as set out in appendix 4. The Pay Committee is responsible for the administration and review of the pay policy, subject to the approval of the relevant body, and has full authority to take pay decisions on behalf of the relevant body in accordance with this policy. The headteacher is responsible for advising the Pay Committee on its decisions.

SECTION 2. RESPONSIBILITIES/OBLIGATIONS

1. Governing Body Obligations

- i. The governing body will fulfil its obligations to:
 - a. **Teachers:** as set out in the current School Teachers' Pay and Conditions Document ("**the Document**") and the current Conditions of Service for School Teachers in England and Wales ("**the Burgundy Book**").
 - b. **Support staff:** the current National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service ("**the Green Book**") and in keeping with Sefton Council's current Job Evaluation Scheme ("**JE**").
- ii. The governing body will need to consider any updated pay policy and assure themselves that appropriate arrangements for linking teacher's appraisal to pay are in place, can be applied consistently and that their pay decisions can be objectively justified.
- iii. The governing body will ensure that it makes funds available to support pay decisions, in accordance with this pay policy (see Section 4, Page 8-9) and the school's budgetary requirements.
- iv. The governing body will monitor the outcomes of pay decisions, including the extent to which different groups of teachers may progress at different rates, ensuring the school's continued compliance with equalities legislation.

2. Headteacher Obligations

- i. The headteacher will:
 - a. develop clear arrangements for linking teacher appraisal to pay progression and consult with staff and school union representatives on the appraisal and pay policies;

- b. submit any updated appraisal and pay policies to the governing body for approval;
- c. ensure that effective appraisal arrangements are in place and that any appraisers have the knowledge and skills to apply procedures fairly;
- d. submit pay recommendations to the governing body and ensure the governing body has sufficient information upon which to make pay decisions;
- e. ensure that teachers are informed about decisions reached; and that records are kept of recommendations and decisions made.

3. Teachers' Obligations

- i. A teacher will:
 - a. engage with appraisal; this includes working with their appraiser to ensure that there is a secure evidence base for an annual pay determination to be made;
 - b. keep records of their objectives and review them throughout the appraisal process;
 - c. share any evidence they consider relevant as agreed with their appraiser;
 - d. ensure they have an annual review of their performance.

4. Differentials

Appropriate differentials will be created and maintained between posts within the school, recognising accountability and job weight, and the governing body's need to recruit, retain and motivate sufficient employees of the required quality at all levels.

5. Discretionary Pay Awards

Criteria for the use of pay discretions are set out in this policy and discretionary awards of additional pay will only be made in accordance with these criteria.

6. Safeguarding

Where a pay determination leads or may lead to the start of a period of safeguarding, the governing body will comply with the relevant provisions of the Document and will give the required notification as soon as possible and no later than one month after the determination.

7. Procedures

- i.** The governing body will determine the annual pay budget on the recommendation of the pay committee (see appendix 4), considering paragraph 19 of the Document. The Governing Body will aim to ensure that appropriate funding is allocated for pay progression for all eligible teachers in the spirit of this pay policy.
- ii.** The terms of reference for the pay committee will be determined from time to time by the governing body. The current terms of reference are:
 - a.** to achieve the aims of the whole school pay policy in a fair and equal manner;
 - b.** to apply the criteria set by the whole school pay policy in determining the pay of each member of staff at the annual review;
 - c.** to observe all statutory and contractual obligations;
 - d.** to minute clearly the reasons for all decisions and report the fact of these decisions to the next meeting of the full governing body;

- e. to recommend to the governing body the annual budget needed for pay, bearing in mind the need to ensure the availability of monies to support any exercise of pay discretion;
- f. to keep abreast of relevant developments and to advise the governing body when the school's pay policy needs to be revised;
- g. to work with the headteacher in ensuring that the governing body complies with the Appraisal Regulations 2012 (teachers).
- h. The report of the pay committee will be placed in the confidential section of the governing body's agenda and will either be received or referred back. Reference back may occur only if the Pay Committee has exceeded its powers under the policy.

8. Appeals procedure

The governing body has an appeals procedure in relation to pay in accordance with the provisions of paragraph 2.1(b) of the Document. This is set out at appendix 5 of this policy.

SECTION3. PAY REVIEWS

1. The Governing Body will ensure that each teacher's salary is reviewed annually, with effect from 1 September and no later than 31 October each year (31st December for headteachers), and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled in accordance with paragraph 3.4 of the Document. An instruction to amend pay from the relevant date will be issued immediately after the time limit for the lodging of an appeal has passed, or immediately after an appeal has been concluded.

2. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement (appendix 3) will be given after any review and where applicable will give information about the basis on which it was made.
3. Where a pay determination leads or may lead to the start of a period of safeguarding, the Governing Body will comply with Section 2 Paragraph 6 of this policy.
4. All pay decisions will be made on objective criteria so that there is no discriminatory effect on any teacher or group of teachers with a particular protected characteristic under the Equality Act 2010.
5. The Governing Body will also comply with the following equalities legislation:
 - a. Employment Relations Act 1999
 - b. Equality Act 2010
 - c. Employment Rights Act 1996
 - d. The Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000
 - e. The Fixed-term Employees (Prevention of Less Favourable Treatment) Regulations 2002
 - f. The Agency Workers Regulations 2010
6. The governing body will promote equality in all aspects of school life, particularly as regards all decisions on advertising of posts, appointing, promoting and paying staff, training and staff development.

SECTION 4. BASIC PAY DETERMINATION ON APPOINTMENT

1. The Governing Body will determine the pay range for a vacancy prior to advertising it. On appointment, it will determine the starting salary within that range to be offered to the successful candidate.
2. In making such determinations, the Governing Body may take into account a range of factors, including:
 - the nature of the post
 - the level of qualifications, skills and experience required
 - market conditions
 - the wider school context

This is not exhaustive and may not be applicable to all appointments.
3. Schools can take the decision to honour pay portability, however, it should not be assumed that a teacher will automatically be paid at the same rate as they were being paid in a previous school.
4. Pay Ranges can be found at appendix 1

SECTION 5: LEADERSHIP PAY

The pay committee will consider using its discretion, in wholly exceptional circumstances, to exceed the 25% limit on discretionary payments, as set out in paragraph 10.4 of the Document. The pay committee will, within a four-week period of the commencement of acting duties, determine whether the acting post holder will be paid an allowance. In the event of a planned and prolonged absence, an acting allowance will be agreed in advance and paid from the first day of absence.
- ii. Any teacher, who carries out the duties of headteacher, deputy headteacher, or assistant headteacher, for a period of four weeks or more, will be paid no lower than the minimum of the respective pay range for as long as the acting allowance is paid.

SECTION 6: PAY PROGRESSION BASED ON PERFORMANCE

- 1. In this school, all teachers can expect to receive regular, constructive feedback on their performance and are subject to annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal is set out in the schools' Appraisal Policy.

2. All decisions about pay progression for teachers will be made with reference to the teachers' appraisal reports and the pay recommendations that they contain. In the case of NQTs, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.
3. It will be possible for a 'no progression' determination to be made without recourse to the capability procedure. It is expected that in cases of a 'no progression' determination this is supported by the teacher's appraisal reports.
4. In this school, assessment of performance will be made through the appraisal process and will include assessment of performance against the Teachers' Standards (and/or other relevant standards) and appraisal objectives. Teachers will be eligible for standard pay progression if they are assessed as meeting the Teachers' Standards (and/or other relevant standards) and their appraisal objectives.
5. The evidence to be used for assessment will be made clear to all teachers at the start of the appraisal cycle and may include e.g. self-assessment, progress of a particular group of pupils, lesson observations, feedback on pupils' learning etc.
6. Decisions regarding pay progression will be made to be fair and transparent; assessments of performance will be properly rooted in evidence.
7. In this school, we will ensure fairness by annual monitoring of the application of the Appraisal Policy, the Pay Policy and of pay decisions. The school will ensure that appraisal objectives and assessments are consistent. Arrangements for quality assurance and moderation are set out in the Appraisal Policy. We will endeavour to minimise the impact on workload for individual teachers, line managers and headteachers throughout the process.
8. Teachers' appraisal reports will contain pay recommendations. Final decisions about whether to accept a pay recommendation will be made by the Governing

Body, having regard to the appraisal report and taking into account advice from the Headteacher.

9. The Governing Body will consider its approach in the light of the school's budget and will take steps to ensure that appropriate funding is allocated for pay progression at all levels.
10. All teachers can expect progression to the top of their pay range as a result of successful appraisal reviews.
11. Classroom teachers
 - a. A classroom teacher paid on Main Pay Range or Unqualified Teachers PayRange who is assessed as meeting the Teachers' Standards (and/or other relevant standards) and their appraisal objectives will receive standard progression to the next point on the appropriate pay range.
 - b. For teachers on the Upper Pay Range who have been assessed as being highly competent in all elements of the relevant standards; that their achievements and contribution to this school are substantial and sustained; and have met their appraisal objectives, standard progression will be made based on two successful, consecutive appraisal reviews in this school.
 - c. A teacher who is assessed as exceeding the requirements detailed in 11a/b above may receive enhanced progression as set out in table (a) below.
 - d. A teacher whose performance does not meet the requirements detailed in 11a/b above, may be considered not to be eligible for pay progression. While it is possible for a 'no progression' determination to be made without recourse to the capability procedure, there is an

expectation that concerns about a teacher's performance will have been made clear through the appraisal process and that said concerns have not been sufficiently addressed through support provided by the school.

12. Leadership Teachers

- a. Those on the leadership pay range play a critical role in the life of the school. They inspire confidence in those around them and work with others to create a shared strategic vision which motivates pupils and staff. They take the lead in enhancing standards of teaching and learning and value enthusiasm and innovation in others. They have the confidence and ability to make management and organisational decisions and ensure equity, access and entitlement to learning.
- b. To achieve progression teachers on the leadership pay range are required to demonstrate sustained high quality performance with particular regard to leadership, management and pupil progress at the school and will be subject to a review of performance against the Teachers' Standards (and/or other relevant standards) and their appraisal objectives before any performance points will be awarded.
- c. Annual pay progression within the range for these posts is not automatic. The relevant body will consider whether to award one or two pay progression points.

Table (a)

Pay range	Standard progression	Enhanced progression
Main	1 point	2 points
Upper	1 point after two successful reviews	
Leading practitioner	1 point	2 points
Leadership	1 point	2 points
Unqualified	1 point	2 points

SECTION 7: MOVEMENT TO THE UPPER PAY RANGE

1. Applications and Evidence

- i. Any qualified teacher may apply to be paid on the upper pay range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether they wish to apply to be paid on the upper pay range.
- ii. One application may be made in an academic year. The closing date for applications is normally 31st October each year; however, exceptions will be made in particular circumstances, e.g. those teachers who are on maternity leave or who are currently on sick leave.
- iii. The process for applications is:
 - a) The teacher must complete the school's application form(Appendix 2)
 - b) The application form and the supporting evidence must be submitted to the headteacher by the cut-off date of 31st October.

 - d) The assessor will assess the application, which will include a recommendation to the pay committee of the relevant body;
 - e) The application, evidence and recommendation will be passed to the headteacher for moderation purposes, if the headteacher is not the assessor;

- f) The pay committee will make the final decision, advised by the headteacher;
- g) The teacher will receive written notification of the outcome of their application by 31st October. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy (see 'The Assessment' below).
- h) Oral feedback which will be provided by the assessor. Oral feedback will be given within 10 school working days of the date of notification of the outcome of the application. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria.
- i) Successful applicants will move to the minimum of the Upper Pay Range on 1st September of the academic year that their application is judged as successful, payments will be backdated to 1st September.
- j) Unsuccessful applicants can appeal the decision. The appeals process is set out at appendix 4 of this pay policy.
- k) If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or schools. This school will not be bound by any pay decision made by another school.

2. The Assessment

- i. The teacher will be required to meet the criteria set out in paragraph 15 of the Document, namely that:
 - a) the teacher is highly competent in all elements of the relevant standards; and
 - b) the teacher's achievements and contribution to the school are substantial and sustained.

- ii. In this school, this means:
 - a) "highly competent": the teacher's performance is assessed as having excellent depth and breadth of knowledge, skill and understanding of the Teachers' Standards in the particular role they are fulfilling and the context in which they are working.

 - b) "substantial": the teacher's achievements and contribution to the school are significant, not just in raising standards of teaching and learning in their own classroom, or with their own groups of children, but also in making a significant wider contribution to school improvement, which impacts on pupil progress and the effectiveness of staff and colleagues.

 - c) "sustained": the teacher must have had two consecutive successful appraisal reports in this school and have made good progress towards their objectives during this period (see exceptions in the introduction to this section). They will have been expected to have shown that their teaching expertise has grown over the relevant period and is consistently good to outstanding.

- iii. Further information is contained within the school's appraisal policy.
- iv. Any appeal against a decision not to move the teacher to the upper pay range will be heard under the school's general appeals arrangements.

SECTION 8. DISCRETIONARY ALLOWANCES AND PAYMENTS

1. Teaching and Learning Responsibility (TLR) payments

- i. A teacher may be awarded a TLR in accordance with paragraph 20 of the Document.
- ii. Having decided to award a TLR, the Governing Body will determine whether to award a first TLR (TLR1) or a second TLR (TLR2) and its value, in accordance with this policy, provided that:
 - a) The annual value of a TLR 1 must be no less than £8,291 and no greater than £14,030;
 - b) The annual value of a TLR 2 must be no less than £2,873 and no greater than £7,017
- iii. A teacher may not hold a TLR 1 and a TLR 2 concurrently.
- iv. The Governing Body may award a fixed term third TLR (TLR3) to teacher for clearly time-limited school improvement projects, or one off externally driven responsibilities.
 - a) The annual value of a TLR3 must be no less than £571 and no greater than £2,833

- v. The duration of the fixed term will be established at the outset. A teacher in receipt of a TLR 1 or a TLR 2 can hold a concurrent TLR 3.

2. Special Educational Needs (SEN) allowances

A SEN allowance of no less than £2, 270 and no more than £4, 479 per annum is payable to a teacher in accordance with paragraph 21 of the Document.

SECTION 9. OTHER

1. Part-time teachers

Teachers employed on an ongoing basis at the school but who work less than a full working week are deemed to be part-time. The Governing Body will give them a written statement detailing their working time obligations and the standard mechanism used to determine their pay, subject to the provisions of the statutory pay and working time arrangements and by comparison with the school's timetabled teaching week for a full-time teacher in an equivalent post.

2. Short Notice/Supply Teacher

Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro-rata.

Main Pay Range, Upper Pay Range, Unqualified Pay Range and Leadership Pay Range are at Appendix 1

4. Job Descriptions

The headteacher will ensure that each member of staff is provided with a job description in accordance with the staffing structure agreed by the governing body. Job descriptions may be reviewed from time to time, in consultation with the individual employee concerned, in order to make reasonable changes in the light of the changing needs of the school. Job descriptions will identify key areas of responsibility. All job descriptions will be reviewed annually as part of the appraisal process.

5. Monitoring the impact of the policy

The Governing Body will monitor the outcomes and impact of this policy each year, including trends in progression across specific groups of teachers to assess its effect and the school's continued compliance with equalities legislation.

SECTION 10. SUPPORT STAFF

1. Appointments

Through a staffing structure for support staff, the Headteacher and the Governing Body will ensure that every member of staff is aware of his or her contribution to the successful organisation of the school. Every member of the support staff will have an up-to-date job description. The structure of the posts and job descriptions will be reviewed and re-evaluated regularly. Any changes will be made in consultation with the members of staff concerned.

Re-evaluation of posts will always take place as vacancies arise to ensure that replacement post meet the changing needs of the school.

For new appointees the Pay Review Committee, having regard to any advice issued by the LA, will determine the appropriate point on the pay scale, having regard to:

- the demands of the post as described in the job description;
- relevant qualifications and/or experience; and
- recruitment/retention needs of the post

2. Pay scales and progress

The Pay Review Committee will determine all pay by reference to the current National Joint Committee, Conditions of Service for Local Government Services grading structure and Locally agreed pay rates, along with the Local Authority's Job Evaluation Scheme.

Increments will be paid on the 1st April each year until the maximum of the scale is reached.

An increment may be withheld following an adverse performance report on a member of staff who is subject to formal capability procedure. (The employee would have the right to appeal to the appropriate staffing committee of the Governing Body). Any increment withheld may be paid subsequently and backdated if the employee's performance becomes satisfactory.

Support Staff appointed 1 October - 31 March inclusive receive their first increment 6 months from the date they started and if applicable, a subsequent increment the 1st April each year until the maximum of the scale is reached

Support Staff appointed 1 April - 30 September inclusive receive their first increment on the 1 April the following year.

When a member of staff temporarily covers all the work of an absent colleague or covers a vacancy on a continuous basis for more than four weeks and the work covered is of a higher grade, a temporary/fixed term contract should be awarded for the duration at the minimum scale point of the higher grade.

Timing of application

An application can be made at any point during the current academic year for payment on the upper pay range to be made from the following September.

An application can be made up to 31st October for consideration based on performance in the previous two years and, if successful, payment on the upper pay range will be backdated to 1 September.

Note: Only one application may be made in any academic year.

Process

You must enclose copies of your Appraisal Reports and/or performance management planning and review statements that relate to the 2 years immediately prior to the date on which you submit your request.

Sign and date the form and pass it to your Headteacher by 31st October. You should keep a copy for your records.

- b) the teacher's Appraisal Reports and/or performance management reviews demonstrate that they have worked at the level of the Upper Pay Range Criteria for a sustained period during the two years preceding their application; and
- c) the teacher's achievements and contribution to the school are substantial and sustained.

THE UPPER PAY RANGE CRITERIA CAN BE FOUND IN Appendix 2b.

Assessment will be made by the headteacher within 10 working days of the receipt of the application or the conclusion of the appraisal process, whichever is later, a recommendation will be made to the Pay Committee of the Governing Body and the outcome will be communicated to the teacher in writing.

If your application is unsuccessful you have a right of appeal. The appeal will be heard under the arrangements for pay appeals.

An employee may seek a review of any determination in relation to their pay or any other decision taken by; the governing body; or a committee; or an individual acting with delegated authority that affects their pay

The following list includes the usual reasons for seeking a review of a pay determination:

- ✓ incorrect application of any provision of any relevant policy or regulation, including statutory policies, regulations and guidance and any policies of the Governing Body
- ✓ failure to take account of relevant evidence
- ✓ taking account of irrelevant or inaccurate evidence
- ✓ bias
- ✓ discrimination

This list neither exclusive nor exhaustive

The order of proceedings shall be as follows:

- a. the employee receives written confirmation of the pay determination and where applicable the basis on which the decision was made
- b. if not satisfied, the employee seeks to resolve the matter informally with the decision-maker within 10 working days of the decision. If this is impractical the employee may move onto step c. below
- c. the employee should set down in writing the grounds for questioning the pay decision and send it to the person or committee who made the determination, within 10 working days of the notification of the decision being appealed against, or of the outcome of the discussion referred to in b. above
- d. the committee or person who made the determination should provide a hearing within 10 working days of receipt of the written grounds for questioning the pay decision, to consider this submission, and to provide the employee with an opportunity to make representations in person. Following the hearing the employee should be informed in writing of the decision and the right to appeal
- e. an appeal against the original determination will normally be heard within 28 working days of the written appeal notification. The employee will be told of their right to be accompanied by a Trade Union representative or a work colleague
- f. the appeal shall follow the agreed appeals procedure outline at Appendix 5

Appendix 5 - Model Appeals Procedure

The School Teachers' Pay and Conditions Document ("**the Document**") requires schools and local authorities to have a pay policy in place that sets out the basis on which teachers' pay is determined and the procedures for handling appeals.

As part of the overall appraisal process, a pay recommendation is made by the Reviewer (normally the line manager) and discussed with the teacher at the Review Meeting prior to being submitted to the school's Pay Committee or relevant decision-making body. Written details of and the reasons for the pay recommendation will be given to the teacher.

At this stage of the pay determination process, if the teacher wishes to obtain a better understanding of the rationale for the pay recommendation or bring any further evidence to the attention of the Reviewer, they should be given the opportunity to do so before the final pay recommendation is drafted in the Review Statement. The nature of any subsequent appraisal and pay discussion will be informal and therefore representation (on either side) is not necessary nor would it be appropriate. At the conclusion of any further discussion, the pay recommendation may be adjusted or it may remain the same; the Review Statement will be updated to reflect the discussion.

If a teacher believes that the final pay recommendation falls short of their expectations and they wish to seek a further review of the information that affects their pay, they may wish to formally appeal against the decision, utilising the formal Appeal Hearing Procedure. Appeal Hearings against pay decisions must satisfy the dispute resolution requirements of employment law (i.e. Part 4 of the Trade Union and Labour Relations (Consolidation) Act, 1992) and the ACAS Code of Practice.

1. Appeal Hearing Procedure

It is the intention that the Appeals Procedure will be dealt with promptly, thoroughly and impartially.

2. Guidance

- When a teacher feels that a pay decision is incorrect or unjust, they may appeal against that decision, especially when there is new evidence to consider.
- Teachers / Headteachers should put their appeal in writing to either the Headteacher or the Governing Body; their appeal should include sufficient details of its basis.

- Appeals should be heard without unreasonable delay and at an agreed date, time and place.
- Employees have a statutory right to be accompanied at any stage of an appeal hearing by a companion who may be either a work colleague or a trade union representative.

Appeal Procedure Steps: Informal Stage

As part of the pay determination process, the line manager (“the recommendation provider”) will make a recommendation to the “the decision maker” (the person/s or committee responsible for approving the pay recommendation) supported by relevant assessment evidence. On determining a teacher’s pay, “the decision maker” will write to the teacher advising them of the pay decision, the reasons for it and will, at the same time, confirm their right to appeal the decision to “the decision maker”.

If the teacher wishes to appeal the decision, they must do so in writing to “the decision maker”, normally within 10 school working days or within a mutually agreed alternative timescale. The appeal must include a statement, in sufficient detail, of the grounds of the appeal. In the event that an initial appeal is raised, “the decision maker” must then arrange to meet the teacher to discuss the appeal. “The recommendation provider” should also be invited to the meeting to clarify the basis for the original recommendation.

“The decision maker” will reconsider the decision in private and write to the teacher to notify them of the outcome of the review and of the teacher’s right of appeal to the Governing Body. If the teacher wishes to exercise their right of appeal, they must write to the Clerk of the Governing Body at the earliest opportunity and normally within 10 school working days, including a statement of the grounds of the appeal and sufficient details of the facts on which they will rely.

This will invoke the Formal Stage of the Appeal Procedure.

Appeal Procedure Steps: Formal Stage

On receipt of the written appeal, the Clerk to the Governing Body will establish an Appeal Committee that should consist of three governors, none of whom are employees in the school or have been previously involved in the relevant pay determination process and convene a meeting of the Appeal Committee at the earliest opportunity and no later than 20 school working days of the date on which

the written appeal was received. Both “the recommendation provider” and “the decision maker” will be required to attend the meeting.

The Chair of the Appeal Committee will invite the employee to set out their case. Both “the recommendation maker” and “the decision maker” will also be asked to take the committee through the procedures that were observed in their part of the pay policy determination process.

Following the conclusion of representations by all relevant parties, the Appeal Committee will then consider all the evidence in private and reach a decision. The Appeal Committee will write to the teacher notifying them of their decision and the reasons for it. Other attendees at the meeting will also be notified of the decision. The decision of the Appeal Committee is final.

The Modified Procedure

There will be no entitlement to invoke the appeal procedure in relation to a pay decision if the teacher has left the employment of the school.

Where a teacher has, whilst employed at the school, lodged an appeal against a pay decision but has then subsequently left the school’s employment before any appeal hearing is held, the following steps will be observed:

1. The teacher must have set out details of their appeal in writing;
2. The teacher must have sent a copy of their appeal to the Chair of the Governing Body;
3. The Chair of the Governing Body will consult with relevant school personnel and provide the teacher with an appropriate written response on behalf of the school.
