## **Exam series**

Internal exams (mock exams) and assessments are scheduled in the Spring and Summer term.

External exams and assessments are scheduled in November, January, May and June.

Internal exams are held under external exam conditions.

## **Equality Legislation**

All exam centre staff must ensure that they meet the requirements of any equality legislation.

The centre will comply with the legislation, including making reasonable adjustments to the service that they provide candidates in accordance with requirements defined by the legislation, awarding bodies, and JCQ. This is the responsibility of the Examinations Officer under the advisement of the Senior Leadership Team.

## **Access arrangements**

Access Arrangements are pre-examination adjustments for candidates based on evidence of need and normal way of working. Access Arrangements fall into two distinct categories: some arrangements are delegated to centres, others require prior JCQCIC awarding body approval.

Access Arrangements allow candidates/learners with special educational needs, disabilities or temporary injuries to access the assessment without changing the demands of the assessment. For example, readers, scribes and Braille question papers. In this way Awarding Bodies will comply with the duty of the Equality Act 2010 to make 'reasonable adjustments'.

## Reasonable Adjustments

The Equality Act 2010 requires an Awarding Body to make reasonable adjustments where a disabled person would be at a substantial disadvantage in undertaking an assessment. A reasonable adjustment for a particular person may be unique to that individual and may not be included in the list of available Access Arrangements. How reasonable the adjustment is will depend on a number of factors including the needs of the disabled candidate/learner. There is no duty on the Awarding Bodies to make any adjustment to the assessment objectives being tested in an exam. Presfield High School will make any decisions regarding access arrangements based upon whether the candidate has a substantial and long term impairment which has an adverse effect on their **normal way of working**. This will be in line with JCQ regulations and the involvement of the teaching staff in determining the need for access arrangements.

Access Arrangements / Reasonable Adjustments may include any combination of those listed below:

- Scribe
- Word Processor
- Prompter
- Practical Assistant
- Reader/Computer Reader
- Supervised Rest Breaks
- Additional Time (up to 25% or 50% and over 50%)
- Colour naming by the invigilator
- Coloured overlays
- Low vision aid/magnifier
- Music
- Individual rooming

The SENCo will inform subject teachers of candidates with special educational needs and any special arrangements that individual candidates will need during the course and in any assessments/exams.

A candidate's access arrangements requirement is determined by the SENCo in agreement with the Examination Officer they should reflect the normal way of working for the student.

Ensuring there is appropriate evidence for a candidate's access arrangement is the responsibility of the SENCo.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the Examinations Officer.

Rooming for access arrangement candidates will be arranged by the Examinations Officer.

Invigilation and support for access arrangement candidates, as defined in the JCQ access arrangements regulations, will be organised by the Examinations Officer with the help of the class Team and teaching departments.
